Steve Menzies

Greg Dawson

Queens Lake 5K will take place on March 20, 2019

Queens Lake course certification will expire December 2019 and will need to be recertified for the March 2019 race. Will ask Thomas Tate to recertify.

Greg Lynn will take over as the uniform manager for the club. Greg Dawson has transferred all remaining inventory to him.

Nancy Blunt is now organizing the Tuesday evening Billsburg Brewery run that starts at 6:00 PM.

Please make sure any email you send out on behalf of the club is professional and does not disparage any other organizations, business or individuals. We had a recent email that was taken as a slight to another local business.

As of 1 October the new webmaster is Ruth Lamprecht. Thank you Stan Rockwell for all you did for the club!

The CRR equipment manager, Steve Altman, is looking for anyone that would like to assist him with the club equipment.

Rick would like for the club to purchase a canopy with the CRR logo on it. It would be used to cover the finish line equipment on race day.

Inaugural Jamestown Island 10K had 140 entrants with 135 finishers. Overall everything went well for a first time race. A few lessons learned, not enough water. It was a little difficult not having access to the park road the night before. Created more to do on race morning.

New race in October 2019. Mud and Guts Half Marathon will take place at York River State Park. Race Director will be Ellen Alexander.

James O'Neal is a drone operator and can film races for CRR. If interested Mike McDonald can contact him.

CRR families would like to have race discounts. For example a family of 4 could pay \$100 for a race. Maybe we could provide a discount, buy 3 get one free.

Remaining dates for 2018 board meetings. All will start at 7:00 PM and will be held in room B at the Williamsburg Regional Library.

December 4

Meeting adjourned at 8:30 PM.
