Randy Hawthorne explained the reason the club has 4 different checking accounts.

1. General Account
2. Scholarship Account
3. Queens Lake Run Account
4. Travel Account

Rick Platt explained that even though Stan Rockwell is no longer the club secretary he will continue to maintain the CRR website.

Jim Winthrop volunteered to head up the election subcommittee.

Rick Platt mentioned the need for a newsletter and marketing subcommittee. No volunteers.

Terry McManus presented an analysis of the past 3 years of CRR Grand Prix award winners and the impact of runners scoring in more than the current 10 races. The analysis indicated in most cases adding more races to the overall score would have little impact on the winners.

Robert Wilson expressed a desire for all CRR Grand Prix races to count in the scoring. For 2016 the CRR race schedule includes 21 races designated as Grand Prix races.

A motion was made to include all the races in scoring for the Grand Prix. A vote was taken and it was decided the Grand Prix would not include all races designated as Grand Prix races. The board was receptive to adding more races to the scoring but wanted to let the club members at large decide. To determine how many races should be included in the scoring Paul Pelletier was tasked to take a survey of all current club members to see how many races they want included in the Grand Prix scoring. The results will be presented at the next board meeting.

The board reviewed and voted to award 3 scholarships to the following applicants: Curtis Ivanoff, Gaphne Glueck and Abby Johnson. All 3 will receive a \$500 scholarship. Paul Pelletier was asked to make contact with the winners and setup a time to present the checks and take photos.

Paul Pelletier volunteered to stand up a CRR scholarship application subcommittee to review and rewrite the current scholarship application. Tom Gerhardt volunteered to assist.
