Rick Platt went over the remaining CRR race schedule for 2016.

The last race for the HR Grand Prix is Seashore State Park 50K on Saturday December 17th.

Current club membership is at 183 members.

The group had a discussion about the 2017 CRR Grand Prix. Paul Pelletier briefed the results of the club survey to make changes to the number of races scored to determine winners. Based on the results of the survey more than 57% of those that responded (only 40 responses received) wanted to increase the number of races that are included in the total score. A motion was made by Greg Dawson to increase the number of scored races to 12. Jim Winthrop 2nd the motion. All present agreed. The 2017 Grand Prix rules will be updated to reflect this change.

Paul Pelletier discussed changes being made to the scholarship application. The group agreed to move the deadline for applications to be returned to May 10th. By moving this date the club will be able to make the selections before the end of the school year. This will allow the winners to be announced at the schools end of year assembly and give the club some good PR.

Greg Dawson will send out an email to see if anyone is interested in attending the USATF Masters 5K and other USATF events.

Rick Platt will draft rules for the CRR age graded Grand Prix and have Stan post to the club website.

The Powhatan Creek Trail 5K will be held in July. Greg Dawson will be the race director.

Randy Hawthorne provided a treasury report. Club has just over \$19,000 in all accounts.

Terry McManus will order CRR magnets and window stickers.

Terry also gave an update on the status of the Runner Friendly Community submission. The last items needed are a letter for the CRR President and a letter from the Williamsburg Mayor.

Meeting adjourned at 8:18 PM.
